

# 2008 ADD-A-MEMBER PATCH

**IT'S SHOW TIME!** Spotlight your Girl Scout troop and share the fun of Girl Scouting with other girls who would like to join.

Audubon Council is pleased announce a special **2008** incentive for girls who share the fun of Girl Scouting. The requirements are easy to complete:.

Any Girl Scout qualifies for the 2008 ADD-A-MEMBER Patch when she recruits a new troop member from December 1, 2007 to May 1, 2008. Your troop might plan a special troop meeting to invite friends who are not already Girl Scout members. The girls can plan activities that show their friends what they like most about Girl Scouting. After your friends join the troop (complete a membership form, pay national dues and receipt the registration at the service center) you are eligible to purchase the patch.

The 2008 ADD-A-MEMBER patch is available in the council shop for \$.78 each (includes tax). As an unofficial patch it is worn on the back of the sash or vest.
